There are various activities in ?kinci Bay, one of the most beautiful beaches of Didim. The Didim Amphitheatre leaning on the hill right behind the beach and the green area arrangement in front of it have the opportunity to have a pleasant time at any time of the day. There are two businesses on both sides of the bay where those interested in sailing and windsurfing can benefit and receive training. There are sun loungers and umbrellas belonging to a nearby hotel on the beach. There are showers, toilets and a cafe in the area. The beach has a blue flag.
